

Growing your book with Enhanced Direct Enrollment (EDE)

September 2025

Direct Enrollment ends Oct 31, 2025

CMS will discontinue most Direct Enrollment (DE) pathways by November 1, 2025.

If you currently redirect to Healthcare.gov during applications, be ready to start utilizing the **HealthSherpa Enhanced Direct Enrollment** (EDE) experience for Open Enrollment starting November 1, 2025.

Enhanced Direct Enrollment vs. Double Redirect

Two ways to enroll in FFM coverage

Double Redirect (DRD)

- Start on HealthSherpa
- Go to [Healthcare.gov](https://www.healthcare.gov) to complete updated subsidy eligibility application
- Go back to HealthSherpa to enroll
- Being discontinued by 11/1/25

Enhanced Direct Enrollment (EDE)

- Start on HealthSherpa
- Complete updated subsidy eligibility application on HealthSherpa
- Enroll on HealthSherpa

Double Redirect

Double Redirect requires two redirects to complete each enrollment:

- Shop and Quote on HealthSherpa
- **Redirect** to [Healthcare.gov](https://www.healthcare.gov) to check eligibility and apply for subsidies
- **Redirect** back to HealthSherpa to make a plan selection and enroll in coverage

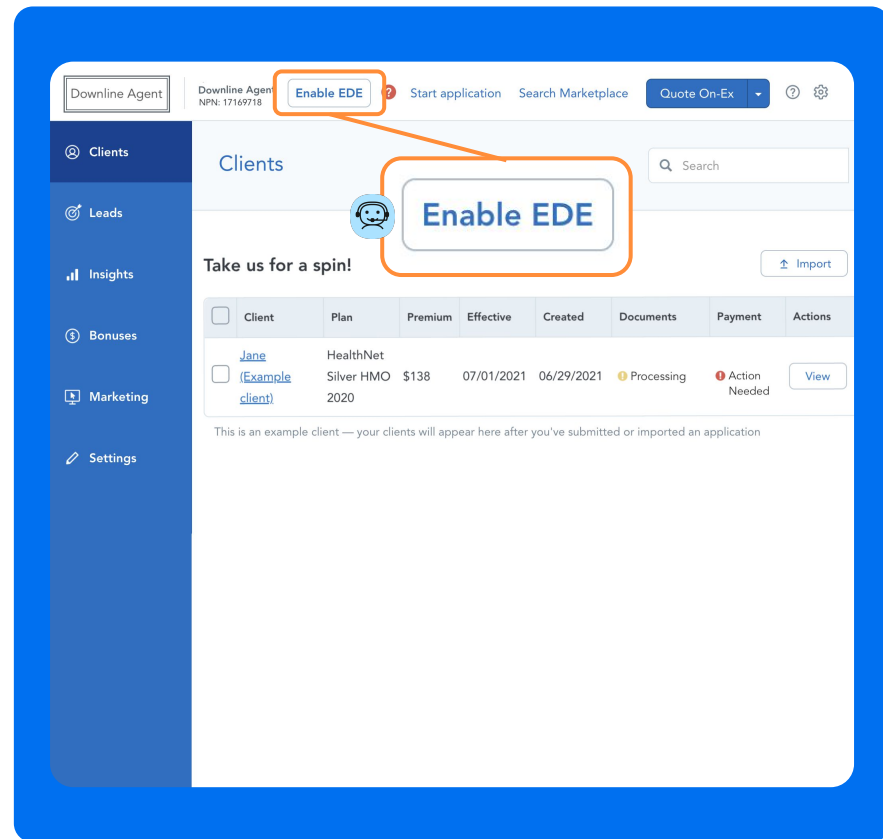

Being discontinued by November 1, 2025

The screenshot shows the 'Start application' page on HealthSherpa. At the top right, there is a link 'Use our Healthcare.gov redirect' with an external link icon. Below this, a yellow smiley face icon is next to the same link. The form includes fields for 'First name' and 'Last name', a 'Date of birth' field with a placeholder 'MM/DD/YYYY', and a 'Coverage state' dropdown menu. There is a checkbox for 'I've received permission from this consumer to work on their behalf.' and a link to 'Download consent forms'. A large blue button labeled 'Search the Marketplace' is at the bottom, with a link 'Or search by SSN' below it.

HealthSherpa Application

With HealthSherpa, agents can use Enhanced Direct Enrollment (EDE) to process the full subsidy application, without the client needing to log into [HealthCare.gov](https://www.healthcare.gov).

HealthSherpa will sync with the Marketplace to retrieve the final eligibility results—this may take a few seconds. Once the results are ready, if eligible, you'll then move to plan shopping.

The screenshot displays the 'Primary contact' section of the HealthSherpa application. On the left is a sidebar menu with options: 'Primary contact' (selected), 'Your information', 'Home address', 'Contact details', 'Household', 'Members', 'Additional questions', and 'Finalize'. Below this menu is a box for 'Application details' showing 'Plan year: 2025'. The main content area is titled 'Primary contact' and includes a 'Show Intake' button. The 'Your information' section contains the following fields: 'First name' (Happy), 'Middle (Optional)' (empty), 'Last name' (Monday), 'Suffix (Optional)' (a dropdown menu set to 'Select'), 'Date of birth' (02/15/1985), 'Sex' (radio buttons for Male and Female, with Male selected), and 'Are you applying for coverage?' (radio buttons for Yes and No, with Yes selected). Below these is the 'Social Security Number' field with a mask 'XXX-XX-XXXX'. At the bottom, a note states: 'Enter Happy Monday's 9-digit SSN. We verify the SSN with Social Security based on the consent you gave at the start of the application. SSNs are required for all household'.

Plan Selection

Plan results can be filtered to ensure you're finding the strongest plan to meet your client's needs. From the plan results page, if needed you can also save your consumer's information as a lead and come back to finalize later.

Reminder: customers must enroll in a silver level plan if they would like to take advantage of CSR eligibility.

The screenshot displays the HealthSherpa Plan Selection interface. On the left, there are filters for Monthly premium max (\$420), Max total deductible (\$9450), Providers (Add a doctor or hospital), Prescriptions (Add prescriptions), Usage estimate (Low, Medium, High), Metal levels (Bronze, Expanded Bronze, Silver, Gold), and Networks. The main area shows 14 plans, with the first three being Aqua HealthCare plans. Each plan card includes the plan name, metal level, and a table of costs.

Plan Name	Metal Level	Monthly premium	Deductible (Health + Rx)	Out-of-pocket max	Doctor visits	Specialist visit	Generic drugs
Community Blue 70/50 \$4550 - POS	EXPANDED BRONZE	\$0.00 <small>was \$449-93</small>	\$4,550	\$9,450	30% after deductible	30% after deductible	\$20

Enrollment Confirmation

Once a plan is confirmed and you click ‘*enroll in this plan*’ your enrollment is complete!

After submission, your enrollment is finalized!
Next comes the important step of effectuating the policy.

You've chosen a plan.

You can start using your health coverage after you submit documents and the Marketplace confirms you're eligible to enroll through a Special Enrollment Period. The sooner you submit documents, the sooner your coverage can become active. See below for more information about next steps.

What should I do now?

- You must submit documents to the Marketplace for:**
 - Happy Monday**
Verify loss of coverage by 10/29/2025

Log into your dashboard to submit these documents.
- Watch for a notice with the results of the Marketplace's review of your documents. You may access your Marketplace notices by logging into your dashboard.
- Pay your premium after your eligibility is confirmed. You'll receive another notice when it's time to take this step. Log into your dashboard to pay your premium of **\$10.06** by 9/30/2025. You will not be able to pay until you verify your eligibility.

Post Enrollment Tools

HealthSherpa offers *post-enrollment* tools for agents to manage and service clients after initial enrollment to help effectuate clients.

With Healthsherpa you have access to:

- Document management tools
- Binder payment capabilities
- Viewing policy status
- Reporting life changes
- Viewing Marketplace notices
- Policy cancelation functionality

The screenshot displays the 'Happy Monday' dashboard with a navigation bar at the top containing 'Client details', 'Household profile', 'Documents' (highlighted with an orange box), and 'Notes'. A light blue notification box contains a warning about CMS resubmission rules and an 'InvalidAction' error. Below this, a 'Last synced' timestamp and three action buttons ('Edit application', 'Change plans', 'Quick search & claim', 'Archive') are shown. Another notification box reminds users to make their first premium payment through the dashboard. The 'Follow-ups' section (also highlighted with an orange box) includes a toggle for 'Show closed follow-ups' and a table with columns: Item, Description, Member, Status, Deadline, and Action. The table lists a 'Verify loss of coverage' item with a deadline of 10/29/2025 and a 'Verify' button. At the bottom, a section titled 'Need documents from your client?' includes a 'Collect documents' button and a 'Preview email' link.
